9. It is the player's responsibility to alert the dealer of a qualifying High Hand during any Qualifying Period. Any potential High Hand that is not brought to the attention of the dealer or a supervisor during the Qualifying Period for which the hand was tabled will result in that High Hand being null and void. The player who had the potentially winning High Hand will forfeit any portion of the Mystery High Hand Giveaway for the Qualifying Period in dispute.
10. **Any player who is deemed by poker management to intentionally stall playing their hand in order to progress their potential high hand to the next qualifying period leaderboard may have their potential high hand disqualified, may be asked to leave the poker room for the day, and may have their playing privileges revoked altogether. These concerns should be brought forth by players to poker management in real time so we can investigate, monitor, and resolve as needed to protect the integrity of the promotional pool.**
