**Overview:** The future of nightlife is at **Electra Cocktail Club**, an inventive collision of energy and style. Electra completes the trinity that is **The Cocktail Collective**, comprised of the sophisticated **Dorsey**, the romantic **Rosina** and now, **Electra**.

**Beverage Program:** Electra's back bar features a diverse selection of spirits with a focus on rums, agricoles, and mezcals. Like the menus at The Dorsey and Rosina, Electra's offerings were conceived by noted barman **Sam Ross** and feature cocktails that are both imaginative and playful with a bend toward the tropical.

Highlights from the list include the **Penichillin** (*Scotch, fresh lemon, ginger, honey and smoky Scotch blended and frozen*); **Pina Verde** (*Green Chartreuse, fresh pineapple, lime, coconut and dash of cream*); **Age of Aquarius** (*Mezcal, passionfruit, lime, honey and Campari*); and much more.

**Digital Art:** A digital display spanning 40 feet serves as a focal point for Electra's guests, featuring original art in a mind-blowing 70 million pixels and more than one billion colors. This visual canvas, the highest resolution video display in Las Vegas, features a curated selection of art providing story lines that unfold throughout the evening.

Rotating content themes include **Neon Swell**, where the human form is shaped and contoured into stunning beautiful terrains that mimic photographic landscapes, and **Lights Out**, where lightbulbs of varying shapes and colors hang upside down in an infinite black space before unexpectedly exploding one-by-one, creating a synergy of beautifully electric color across the screen.

**Design:** Designed by award-winning **Simeone Deary Design Group** under a consulting agreement with **Gensler**, the space incorporates an intoxicating use of luxurious materials such as brass, granite, etched metals, custom wall

coverings and a chandelier with more than 1,200 points of light, offset by deep teal accents throughout the space.

**Music:** The music at Electra is a celebration of all genres of rock from old and modern mixed with current hip hop and EDM. The playlist includes tracks from artists such as David Bowie, N.E.R.D., Cardi B, The Red Hot Chili Peppers, G-Eazy, The Talking Heads, Drake, Cage The Elephant, Portugal.
