Before placing your order, please inform your server if a person in your party has a food allergy. While we attempt to use reasonable efforts to prevent the introduction of the allergen of concern into the food we serve, we cannot guarantee that the allergen was not introduced during another stage of the food chain process or involuntarily by us.

Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food-borne illness, especially if you have certain medical conditions. Thoroughly cooking food of animal origin, including but not limited to beef, eggs, fish, lamb, milk, poultry, or seafood reduces the risk of food-borne illness. Young children, the elderly, and individuals with certain health conditions may be at a higher risk if these foods are consumed raw or undercooked.
