

VENETIAN REWARDS

The Crowne Classic

August 14-16, 2026

Rules

1. Non-refundable Entry Fee of \$50,000 and participation is by invitation only and is at the sole and absolute discretion of Venetian Las Vegas Gaming, LLC ("The Venetian").
2. Participants must be at least 21 years of age and a Venetian Rewards member to participate in The Crowne Classic or any of its functions ("Event").
3. Each eligible participant will be issued a Tournament session card at event registration containing participant's session time, table number, and seat number.
4. Participants must register for their seating assignment no later than 5:00 p.m. on Friday, August 14, 2026.
5. All participants must arrive at the Tournament tables at least ten (10) minutes prior to their scheduled session time.
6. Full Buy-in amount of \$50,000 must be received by Friday, August 7, 2026.
7. The Tournament consists of a Roulette Tournament, Baccarat Tournament, Blackjack Tournament, Craps Tournament and Slot Tournament. The number of tables used and the number of participants per table will be determined by the total number of Tournament participants. Tournament staff shall use its best efforts to uniformly distribute the number of participants per table.
8. Participants shall compete in five (5) designated casino games to accumulate Tournament Leaderboard Points. Following the conclusion of each game, participants will be ranked 1 through 50 based on performance. Points will be distributed in inverse relation to rank, such that 1st Place is awarded fifty (50) points, decreasing by one (1) point per rank, concluded by one (1) point awarded for 50th Place. The overall tournament champion shall be the participant who achieves the highest cumulative point total across all five (5) games.
9. Any participant who misses a game will receive zero (0) points for that specific game.
10. In the event of a tie two or more participants finish the tournament with the exact same cumulative point total, the tie will be broken using the following sequential criteria:
 - a. Highest Single Finish: The participant with the highest individual placement in any single game will take the higher seed (e.g., a player with a 1st-place finish beats a player whose highest finish was 3rd).
 - b. Head-to-Head Slots Performance: If a tie still persists, the participant with the higher individual rank in the Slots category will be awarded the higher tournament standing.
11. All participants must present their session cards to the dealer when they arrive at the table. In the event a participant loses their original session card, a replacement card will be issued, and stamped "DUPLICATE". The Venetian event staff will hand the duplicate card directly to the dealer upon entry to the session.

ROULETTE TOURNAMENT

12. Each participant will receive \$25,000 in Tournament chips at the beginning of play. Exchanging of chips between participants is prohibited. All bets must be in multiples of \$100 with a minimum bet of \$100 and a maximum bet of \$1,000 anyway with exception of outside even money and 2-1 wagers that have the following limits, \$15,000 and \$30,000 respectively. Additionally, for the last spin of each round each participant may choose to go "all in" on the outside even money and 2-1 wagers. Once a bet is placed in the betting circle, it cannot be changed. Inside wagers remain the same limits on the final spin of each round. Tournament will be played in single 0 games.
13. The tournament will consist of twenty (20) spins. Participants must play every spin or be disqualified from the Tournament.
14. The dealer will place a lammer on the betting layout to indicate the start of the betting period. All bets must be placed by the participant.

VENETIAN REWARDS

15. All standard inside and outside bets are permitted. Payouts will conform to standard American Roulette odds.
16. Participants are responsible for their own chips and ensuring their bets are placed correctly on the layout.
17. If a participant has less than the minimum bet remaining, the participant is eliminated from play and shall immediately vacate his or her seat and leave the Tournament area.
18. In the event of a game malfunction, the spin will be declared void and all chips will be returned. The round will continue with an additional spin.

59. All wagers must be made in increments of \$500 chips, except for 6 and 8 bets, which must be placed in increments of \$600 chips. Hardway bets are permitted with a minimum of \$100 chips and a maximum of \$500 chips, and must be placed in increments of \$100 chips. All other proposition bets are not allowed.

These bets must remain in place until a decision is reached. Players may increase their Pass Line bet up to the table maximum and may reduce their Don't Pass bet, provided it does not fall below the table minimum.
