| 28th Level | 300,000 | 150,000-300,000 |

General Rules

- TDA rules apply to all Venetian Poker Room poker tournaments.
- Must be 21+ years of age and have a Grazie Rewards card to participate.
- Fifteen (15) minute break at the completion of every four (4) levels.
- Management reserves the right to cancel or change tournament.
- Winners may choose to be paid in casino chips or cash.
- Winners must show a valid ID to collect winnings. Residents of foreign countries without a U.S. tax treaty will be subject to withholding. Pursuant to IRS regulations, W-2G or 1042 forms will be issued for all tournament winnings of \$5,000 or more (net of buy-in amount).
- \$200 Buy-In starts with 25,000 in chips. Each level is thirty (30) minutes.
- \$40 of the \$200 Buy-In is withheld for house fees (Rake + Staff). The prize pool consists of \$160 of every \$200 Buy In.
- Registration and Re-Entry is allowed for eight (8) levels & through the break.
- All tournament prizes are \$1,600 each with any odd monies awarded as one additional payout.
- A Player who accumulates 250,000 in tournament chips ("The Milestone") or more will instantly receive a cash prize of \$1,600. Upon verification by poker room management, the player who achieved The Milestone will cease play and have their chips removed from play.
- The tournament will conclude when the number of players remaining is equal to the remaining number of \$1,600 cash prizes to be awarded, less the number of Milestone \$1,600 cash prizes already awarded previously. Any odd monies will be awarded to the last player eliminated prior to the conclusion of the tournament. It is the players responsibility to identify when they have reached the Milestone, and to notify poker room management accordingly. Any player dealt into a hand must complete the hand before verification of the Milestone by poker room management. Any player who subsequently falls below the Milestone, before verification can be completed, must once again reach the Milestone and have their chips verified, in order to be eligible for the \$1,600 prize.
- Only a member of Poker room management can verify official chip counts. However, any other player at the table, or the dealer can help identify and alert any other player who may have reached the Milestone. To better assist with identification of Milestones, and to assist the counting process, we recommend players keep their chips in stacks of twenty (20) chips.
- Ante will come from the Big Blind Only. The Ante is posted before the Big Blind.
- A Prize Pool of \$5,000 is guaranteed by the Venetian Poker Room.
- The tournament prize pool disbursement, as set forth herein, may be modified upon unanimous written agreement of management and of all tournament players still involved in the tournament.
- All pre-registered stacks will be in play at the start of the event.
