Event Number: 35

Starting Chips: 40,000

Level Duration Day 1: 30 minutes

Level Duration Day 2: 40 minutes

Late Registration: 8 levels + Break (~ 3:40 PM or ~ 9:40 PM)

Guarantee: \$100,000

Reduced Rake: \$10 Reduced House Fees on Day 1A & 1B

- TDA rules apply to all Venetian Poker Room tournaments.
- Must be 21+ years of age and have a Venetian Rewards card to participate.
- Each starting flight will play until we are down to approximately 5% of the field remaining with approximately 12.5% of each Day 1 Field being in the money. Day 2 will resume at 12:00 PM combining all remaining players from 1A, 1B, 1C, 1D, 1E, and 1F and will continue until a winner has been declared. To begin Day 2, the clock will revert to the earliest stoppage time of Day 1.
- Management reserves the right to cancel or change the tournament.
- Winners may choose to be paid in casino chips or cash.
- Winners must show a valid ID to collect winnings. Residents of foreign countries without a U.S. tax treaty will be subject to withholding. Pursuant to IRS regulations, W-2G or 1042 forms will be issued for all tournament winnings of \$5,000 or more (net of buy-in amount).
- \$50 of the \$250 Buy-In is withheld for house fees (Rake + Staff). The prize pool consists of \$200 of every \$250 Buy In. Any player who buys into Day 1A or Day 1B will only pay \$40 in House Fees for a total buy in of \$240 instead of \$250.
- Any player who bags chips for Day 2 may not play a subsequent flight. Players who cash on Day 1 but bust before making Day 2 may play another flight.
- Ante will come from the Big Blind Only. Big Blind is posted before the Ante.
- All pre-registered stacks will be in play at the start of the event.
- The tournament prize pool disbursement, as set forth herein, may be modified upon unanimous written agreement of management and of all tournament players still involved in the tournament.
- On Day 2, at Tournament Directors Discretion, players will have twenty (20) seconds pre-flop and thirty (30) seconds post-flop to act on their hand through the use of a countdown clock. Based on Day 2 field size, players will receive the following time-extension chips, each worth a 30-second addition to a player's action:
 - Less than 46 players: 5-time extension chips.
 - 46-72 players: 3-time extension chips + 3 at 27 players remaining.
 - 73-99 players: 4-time extension chips + 3 at 27 players remaining.
 - 100 + players: 5-time extension chips + 3 at 27 players remaining.
- In the case that time expires for a player with remaining time-extension chips, the player's countdown clock will automatically extend an additional thirty (30) seconds. Collection of time-extension chips will take place at the end of the player's action. If a player's countdown clock expires and the player does not have any time-extension chips remaining, they will be (a) forced to check, if there is no bet pending or (b) fold, if facing a bet or raise. Shot Clocks will be removed at the Final Table.

- 40-minute levels will begin at the start of Day 2.
- 15-minute breaks will be every three levels Day 2
