

SALA 118

Benvenuto a Sala 118

This is your home away from home for as long as you're here. Named for the Italian living room, this is where Italian hospitality and cocktail craftsmanship meet at any time of day. And, like the 118 islands of Venice, each moment is different than the last.

Unwind with a classic aperitivo, the Northern Italian tradition that brings forth the best of bitters in a not-too-strong cocktail that signals the start of an evening worth remembering. That signature cocktail you're known to order? We have that, too. But infused with an Italian spirit...literally and figuratively. Italian imports wind out the wine and beer list as well, leaving you with a new favorite beverage and a story to tell on your next travels.
